

PSM SMART VEHICLE TAG

Connect with Parked Vehicle Owners Privately and Instantly

The Concept: A smart, QR-based solution that allows anyone to contact a vehicle owner in case of emergencies or parking issues without revealing personal phone numbers.

No App Required: Works with any standard smart phone camera or QR scanner.

Privacy First: Contact details are never shared; communication is handled via masked calls and encrypted messaging.

Emergency Ready: Designed for quick action during critical situations.

Why PSM SMART VEHICLE TAG?

Common scenarios where our smart tag saves the day:

Blocked Exits: If a vehicle is parked in front of a gate or shop.

Traffic Management: Quickly notifying owners of vehicles causing congestion

Vehicle Emergencies: Alerting owners about open windows, oil leaks, or lights left on, Tire Puncture Etc

Safety Alerts: Immediate notification if a vehicle is being towed or is in a no-parking zone.
